**Students of the Month**

Lily, (Lily K as we call her) is really stepping up her game! She is on several teams and takes several styles of dance. She learned a last minute solo and was the first dancer to compete this season. She has even been a fill in for our VDV moms team when needed. Tons of potential here! Go Lily K. Congratulations !

Kesahvi is a rockstar at dance. What a positive attitude, smile and talent! She is always challenging herself and is a stand out in her classes. She has a great dance work ethic and shows her passion for dance. She is involved in several classes, dance styles and teams at the studio! She is fearless and will be showing some of her acro abilities in a trio coming up at competition! On our production you can spot her top center of the platform in Mamma Mia! Go girl!

Super excited about our upcoming Starpower competition at the end of the month. Our competition kids have been working so hard and we can't wait to rock the house. A huge welcome to our new students who have joined our studio family in January and we are in the works preparing our spring recitals! Looking forward to our 20th season shows!
