Master Classes

Students of the Month

Harley is April student of the month! Harley has been taking so many ZOOM classes, added more vocals to her schedule and performed at many Open Mic Nights. She is working so hard and is always on class and has really kept the VDV spirit alive! Go GIRL!!!!

Miss K's Corner

....And then there was #ZOOMLANDIA. When all this happened, over spring break, the VDV staff and I, like all other dance studios moved to the ZOOM online platform. I have been so impressed with our teaching staff on their commitment to finish the season strong with amazing challenging classes. I know that the Zoom classes were hard for some folks, they have been a challenge for us teachers too! Some super positive things that have come from our Zoom classes have been...meeting all the pets, parents dancing at home with our students, Mac and WL kids connecting in class like never before, open mic performance nights, and students coming to class 5 days per week. We are also proud of our master classes with Stacy J, Michelle Chandler-Smith, Kim Borgaro, Melissa Avery, Jacqi Maltby-Michaels Zachary Piser from Dear Even Hansen, and more! We are on the finishline to ending strong and proud! We thank you for your support!

Anahi is the May student of the month. This girl has been taking all styles of classes on ZOOM, greets everyone in class, is all smiles, so polite, and is in almost every class. She has performed several times in the Open Mic Night and continues to grow as a dancer! GO girl!
